MIDSHIPMEN BEST FENCERS. Take Interbellegiate Championship From West Point.

The fourteenth annual intercollegiate fend ing competition, begun on Frfday and finished last night in the New York Athletic Club, was won by the team from Annapolis, the championship thus passing from one branch of the service to the other, from the military to the Naval Academy. When the competition narrowed down to the finals last night there were three teams of the original eight in the running-West Point, Annapolis and Cornell. Both of the academy teams disposed of the collegians from Ithaca handily, but the midshipmen found Cornell much easier to beat than did the military cadets, which fact was a big factor in the formers' victory. Of last night's finals Annapolis won fourteen bouts and lost four. West Point won ten and lost

eight, and Cornell won three and lost fifteen. There was no official rating for the other teams, but Yale and Columbia were close together for fourth and fifth places, with Harvard, Pennsylvania and Princeton foilowing. Nor was there any official individual championship at issue, but the best individual work was done by Dickinson of West Point. Dickinson went down the long line without a defeat, winning twelve bouts. encounter with Midshipman Dickman of the Navy last night was the star clash of th

the Navy last night was the star clash of the tournament, and Dickman met with his only defeat then and there. An extra period was needed to decide the bout. At the end of the first period two judges said tle, two said Dickman and one said Dickinson. At the end of the second period the decision was four to one in favor of Dickinson.

In one of the earlier bouts of the evening a combatant's foil flew from his hand and narrowly missed a young woman spectator. She deftly dodged the flying blade and then smiled coolly, as if eluding steel missiles was an everyday performance. The midshipmen as usual, fenced in sleeveless jackets, and each of them wore a handkerchief around his head. This accoutrement heightened his gladatorial appearance, but was for no more serious purpose than to keep perspiration out of the eyes.

purpose than to keep perspiration out of the eyes.

In the second and third rounds the Yale team, which did unexpectedly well, disposed of Harvard and Pennsylvania and was beaten in a close encounter with Cornell. Cornell beat Columbia and Yale, while Annapolis outpointed Columbia. Yale never has done much in intercollegiate fencing, but experts at the present championship say the New Haven men have an excellent chance for first honors next year. Second round results:

SHEPPARD RUNS 600 YARDS IN 1 MINUTE 13 3-3 SECONDS.

Northridge Travels 100 Yards Over Hurdles in 12 1-3 Seconds -Hillman Shows Fine Form in 220 Low Hurdle and 440 Yard Run-Point Honors for Company E.

The Thirteenth Regiment Athletic Association held its annual spring games at the Armory, Brooklyn, last night and a programme of twenty events created a fine night's fun for the Brooklyn lovers of amateur sport. A majority of the competitions were con-fined to the Thirteenth "sojers." but there were open events and ones for the Military Athletic League and the Sunday School

Athletic League.

The 600 yard handicap invitation was the event of the night and with the exception of Hillman it brought together all the local cracks. Sheppard was on scratch and Charlie Bacon and Paul Pilgrim, 8 and 10 yards re-spectively. Kurka, the limit man, led for about a lap, and he was then replaced by McEntee. Pilgrim was in fourth place and behind him was Bacon. On the backstretch, or with about 10 yards to go. Bacon made a surprising spurt and tore out into the lead, hotly pursued by Pilgrim and Sheppard. But Bacon never was headed and he beat Sheppard, who forged himself into second place, by about seven yards. Pilgrim was a close third. Sheppard's time taken independently was 1 minute 13 3-5 seconds, which beat the old indoor record of 1 minute 14 seconds by J. B. Taylor of Pennsylvania Technically the record will not be accepted.

as a man has to breast the tape. A new record was claimed for Northridge in the 100 yard hurdle. The obstacles were 3 feet high and his time was 12 1-5 seconds. Hillman ran from scratch in the 220 low hurdles and his time was 26 4-5 seconds, a new record, but he knocked down one of the hurdles and this will militate against its acceptance by the record authorities. hurdles and this will militate against its acceptance by the record authorities. Company E made a new mark in the 830 relay by covering the distance in 1 minute 33 2-5 seconds. The old mark was 1 minute 35 2-5 seconds. December 1 minute 35 2-5 seconds. By Company E team a year ago.

Harry L. Hillman of Company E appeared for the 440 yard handicap and he figured on the scratch mark. Van Thum of the same company had a start of 20 yards and when the gun flashed he shot away in front. Hillman picked up his field one by one in great shape but he could not quite reach Van Thum, who won by two yards in 50 1-5 seconds. If timed independently Hillman would surely have beaten the old record of 50 4-5 seconds made by himself two years ago.

In the one mile bicycle race O. J. Devine of Company M announced that he was out to wipe away the old record of 2 minutes 26 1-5 seconds by Oscar Georde of Company E at the spring games of 1904. Devine started from scratch and after a lap or two had his field in hand. When the bell rang he shot out and led on the backstretch and finally won by several yards. The time, 1 minute 54 1-5 seconds, astonished the officials and spectators and after a little investigation it was found the course was two laps short of the mile.

Company E had matters its own way as far as the scoring for point honors went. It won with a total of 73. The score of the other companies: A, 18. D, 15; M, 13; B, 10; 1, 9; G, 7; Band, 3; Hospital Corps I and F, 1.

The royal equine miss got a hearty reception. She enjoys the proud distinction of being the first foal whose sire and dam have as fast a time average in point of records as have Lou Dillon and John A. McKerron. The future of this filly of royal heritage will be the subject of much discussion and anticipation on the part of the entire trotting horse world. anticipation on the part of the entire trotting horse world.

The filly is handsome, well proportioned, a bay in color, with a small white star in the centre of the forehead.

Nancy Hanks, 2:04, the world's champion trotter from 1802 to 1894, is also expected to foal to McKerron within the next few weeks, and the arrival of this foal will also be an important event.

NEW WRESTLING CHAMPIONS. Vale Man and Two New York A. C. Members Capture A. A. U. Titles,

A large crowd witnessed the final bouts n the wrestling championships of the Amaeur Athletic Union of the United States, held in the National Turn Verein gymnasium, Newark, last night. There were many up-George Taylor, National Turn Verein, Newark 115 pound class, Gustave Bauers, National Turn Verein, Newark: 125 pound class, George Dole, Yale University: 135 pound class, Benjamin J. Bradshaw, Boys' Club, New York; 145 pound class, Richard Jackel, New York A. C.; 158 pound class, Fred Narganes, New York A. C.: heavyweight class, Jacob Gunderson, Dover Sporting Club, New York.

The night's sport started with a bout be-

ween Robert Curry, St. George A. C., present Metropolitan champion at 105 pounds, and leorge F. Bergmann, Mott Haven A. C. in the 105 pound class. Bergmann at the He displayed wonderful strength in breaking a number of wicked holds, but did not make any effort to go after his man. Curry won on points after six minutes of elever work. Curry met George Taylor, National Turn Verein, Newark, in the final bout. Taylor went after Curry from the beginning. After two minutes of rapid wrestling he secured a pretty crotch hold and spun Curry a couple of times on the head. Curry was in a bad position, but deftly managed to extricate himself. Taylor again went for the same hold and succeeded in obtaining it, but Curry prevented a fall by locking his arm around Taylor's neck.

At the end of six minutes another bout of the same number of minutes was ordered. In the second period Curry labored hard, but could not accomplish anything for every time that Taylor was in a dangerous position he managed to pull himself to safe quarters. The referee was again unable to pick a winner and the boys had to wrestle another three minutes. Taylor cut out the pace and did all sorts of things to Curry and was named Gustave Bauers, National Turn Verein,

Newark, another A. A. U. champion, tackled F. P. Devlin, Mott Haven A. C., New York, in the first bout in the 115 pound division. Bauers after avoiding a well aimed dive for the legs got on top and stayed there till the end of the contest. He always was the aggressor and had no trouble in earning the verdict.

Bauers had matters comparatively easy in the final bout in his class. He threw James Meagher, Central Young Men's Christian Association, Buffalo, in 2 minutes 38 seconds.
In the initial bout of the 135 pound class, in

Meagner, Central Association, Buffalo, in 2 minutes 38 seconds. In the initial bout of the 135 pound class, in which Benjamin J. Bradshaw, Boys' Club, opposed Charles Sahrbacher, Young Men's Christian Association, New Britain, Conn., Sahrbacher practically threw himself. In endeavoring to avoid an arm lock Sahrbacher grasped his man about the walst. Bradshaw tried to shake his opponent off and doing so Sahrbacher went down and rolled on both shoulders. The fall was accomplished so quickly that the crowd did not know Bradshaw had won until Referee Nifiot announced him as the winner.

The surprise of the night was the defeat of George Mehners, National Turn Verein of New York who has held various A. A. U. championships for years, by George S. Dole of Yale. Mehners fell into a pretty scissors hold and was thrown without much ado.

Hughey Leonard's pupil, Fred Narganes of the New York A. C., who recently won the intercollegiate wreatling championship as a representative of Columbia College, defeated Frank Lynch in the final bout in the 158 pound division. Narganes displayed considerable science, but Lynch made a stubborn resistance. Two extra bouts of 8 and 3 minutesrespectively were necessary before the referee could decide in favor of Narganes.

The much heralded Emery Payne, Northwestern A. C., New York, was not much of a Hercules in the hands of Jacob Gunderson, Dover A. C., New York, Payne was put on his back from a half Nelson and crotch hold in 4 minutes and 15 seconds. About the cleanest fall of the night was made by Jacob Gunderson in the final bout of the heavyweight class. Gunderson tackled Arthur G., Mather, Medford Boat Club, Medford, Mass. They went it hammer and tongs and Gunderson put his rival down with a half Nelson and crotch in 5 minutes and 5 seconds. Mather was bleeding from an ugly cut on the forehead at the finish.

ern Nassau County. MEADOW BROOK, L. I., March 30 .- With twenty-five riders in the saddle the Meadow Brook club members had a fine run after the hounds to-day over the stiff country of northern Nassau county.

The meet was at Jericho Toll Gate at 3:30. The hounds were put down in a large field. where they at once caught the scent and were away at a fast clip, running well bunched and giving tongue merrily. The hounds ran northward to Wheatley and then circled and came back to within a mile of where the hounds were first put in and continued pas the R. Winthrop place and that of J. S. Stevens to Brookville, where the check was held to allow a brief rest for both hunters and

held to allow a brief rest for both hunters and hounds.

When next released the pack ran westward again and to within a short distance of Jericho, where the finish occurred and the stiff seven mile run ended. Mrs. Adolph Ladenburg, Miss Cornelia Bryce and Miss Gladys Mills made a very nice finish, each trying to be the first in at the death, but by a peculiar incident all their mounts refused the last jump.

Those who finished were Master of Hounds Samuel Willetts, Huntsman Davey and Whip Hayden, Mrs. Adolph Ladenburg, Miss Gladys Mills, Miss Cornelia Bryce, W. Scott Cameron, J. E. Rawlins, Fletcher Harper, Singleton Van Schaick, H. A. Drier, W. C. Hayes and visitors from the neighboring hunt clubs.

The New York Nationals are early in the field with rowdy work. It is evident that the national commission should take charge of all games between National and American league teams. Romulus had just founded Rome. "It is all right," he remarked to Remus as he surveyed the seven bills, "except there's no place for a baseball ground." And, sure enough, in time Rome began to go back.

BROOKLYN GIRLS FENCE BEST. Miss Barrett and Miss Allsgood Finish First and Second in Tourney.

The New York Normal School of Physical Education held its annual fencing meet at Dr. Savage's institute yesterday and the feminine experts with the foil had many interesting sallies. There were seven entries and all knew how to parry and lunge, but of course not so viciously as the male sex. Six of those who contested were dressed in bloomers, black hose and low cut fencing shoes. Their duck fencing jackets were not the men use, and the judges took chances on on the chest. Four minutes was the duration of each bout, a change being taken at half

Miss Margaret Barrett, a splendidly proportioned Brooklyn girl, showed her agility early in the tourney, for she won her bouts easily and with a lot to spare. Miss E. J Allsgood, another Brooklyn girl, distinguished

easily and with a lot to spare. Miss E. J. Allsgood, another Brooklyn girl, distinguished herself, and she too had a straight score until the sixteenth bout, when the pair met. After a lively set-to Miss Barrett secured the verdict by ten touches to seven. The programme was continued to the full twenty-one bouts, but in the eighteenth Miss M. Leaman forfeited to Miss Allsgood. Miss Barrett, who won, was presented with a gold medal, and Miss Allsgood got a silver medal. Both will have their names engraved on the challenge cup. Miss G. Whealen, a New York girl, took third place.

COLUMBIA'S TRACK TEAM. Practice Will Begin This Week on South

Fleid.

Regular spring track practice at Columbia will begin this week when the men return to college on Tuesday after the Easter Midays. In the two weeks rest they have had several of the varsity men have taken on weight and Hetherington and Zink, the two crack half milers who were subjects of worry to Crooks, have so far recovered themselves that they are expected to run in their usual form. The only varsity man now about whose condition there seems to be any doubt s Bull, who was not eligible to run last year and consequently has done almost no training for two seasons. Bull is so much over weight that Crooks fears he will have a difficult task to get him back to his form of two

cult task to get him back to his form of two years ago.

The team will not go to Williamsbridge this year, as the university has leased that field to an outside organization. No regular training quarters will be established. Instead the men will eat lunch and dinner together at an uptown hotel under the eye of the trainer and will be placed upon their honor to take care of themselves the rest of the time.

On South Field, although the track has been placed in fairly good condition, the men will be handicapped by the fact that there is no straightaway course for more than a will be handicapped by the fact that there is no straightaway course for more than a hundred yards. An effort is being made to get the permission of the university authorities to chen do to one of the trees on the west side of the field so as to extend the track but whether the permission will be granted or not is not known. The fact that the baseball people use the inside of the field at the same time is likely to cause turther trouble to the track men, as spectators are constantly coming on to the track to get to the field and often use if as a grand stand.
